WHO WE ARE

Brain2Fact Group founded in 2005, with a vision in mind, to identify the gaps in the MENA region markets and provide satisfactory solutions while leaving a remarkable mark.

Since then and over the past 15 years, it has proven to be one of the strong and pioneering groups in many different fields, from day one, it was clear that ambition and hardworking are the fuel that drives the group to achieve its unique vision and goals.

Starting with a marketing solutions company, which presented many innovative and creative ideas, causing a huge buzz in the marketing field, which caught the attention of many mega brands to work with brain2fact.

Then Brain2fact group went into rapid growth and expanded to be holding now 5 pioneering companies in many different fields, which allows the group to expand geographically from its headquarters in Egypt to establish a solid presence in the UAE, Kuwait, and Belgium.

VISION

Our vision is identifying the gaps in the **MENA** region markets and provide satisfactory solutions while leaving a remarkable mark.

MISSION

To be one of the pioneering groups in the **MENA** region by bridging the never-ending gap between untapped and open opportunities in the markets and the ideal solutions to get the most out of these opportunities.

Go Beyond Expectations!

In order to distinguish your brand from your competitors, you have to be bold and go beyond all expectations, relying on creativity and innovation while maintaining strategic and analytical thinking at the same time.

We at Brain2Fact offer you outstanding Marketing solutions that will satisfy all your brand's needs with the best quality and price.

CONSTRUCTIONS & INTERIORS

BUILDING A SUSTAINABLE FUTURE!

Relying on our great experience and artistic creativity, Brain2Fact offers a fully-integrated construction and interior design solutions in many different sectors. From administrative buildings, malls, hotels, to residential compounds and individual properties.

And as customer satisfaction is our primary focus, we are committed to providing the highest level of quality services that meet international standards, on time and at a competitive price.

Opening New Horizons

International Trading allows countries to expand their markets for both goods and services that otherwise may not have been available domestically. As a result of international trading, the market is more dynamic and competitive which leads to more variety of goods and products at cheaper prices, in addition to providing many job opportunities and new markets.

Good Food .. Good Mood!

The restaurant industry is considered as one of the economy's most influencing factors globally, referring to the number of various services included under its umbrella and to the number of workers in this industry.

And while our main objective at Brain2Fact is to keep customer satisfaction, we are committed to provide our consumer with a satisfying experience that includes enjoyable foods, drinks, and comfy atmosphere in addition to professional customer service.

Saving Our Environment!

Recycling can be a fundamental key to help us save our environment, by conserving energy, reducing pollution, and keep our natural resources clean.

Recycling is the process of collecting and processing materials that would otherwise be thrown away as trash and turning them into new products
